

# IMPORTANT INFORMATION FOR HOW TO SNAG A SEA MONSTER! A TERRIFICALLY TALL TALE

- **THIS IS A COMPLETELY MASKED EVENT!** Every patron entering the theatre must **ALWAYS** wear a mask that covers their nose and mouth fully **including children of any age.**

**\*\*Because this is an all-masked event, if you or your child are unable to wear a mask, we ask that you purchase the virtual performance on ShowTix4U once it is available for streaming\*\***

- **All performers and staff will be masked.**
- Seating for this event is **NOT** general admission. Your seats will be assigned by Coterie Box Office staff prior to entry based on date of purchase, so **there is no need to line up in the lobby in advance.**
- **The theatre doors will open 30 minutes before showtime** - This is a **ticketless special event.** Please provide your **name** at check in to receive your seating assignment.
- All **seating will be socially distanced** with at least 6 feet of space between group and seating capacity will be limited to 50% of our normal seating capacity.
- **Maintaining Social Distance:**
  - ⇒ **Please always keep yourself/your group at least 6 feet from others.**
  - ⇒ Follow signage and floor markings.
  - ⇒ Avoid adding to a crowded lobby (since your seats are preassigned, please remain in Crown Center until lobby clears).
- At the conclusion of the performance, **please remain in your pod until you are released by a staff member** to allow for social distancing.
- **Hand Sanitizing Stations** will be available in the lobby and the vestibule.
- **ADDITIONAL SAFETY MEASURES**
  - ⇒ The HVAC SYSTEM for The Coterie: Our Crown Center engineer has optimized the airflow in our space for 8 complete air changes per hour (ACH experts suggest at least 3 - 6). And note that even on the coldest day of the year, there will always at least 20% fresh outside air coming into the theatre as recommended by ASHREA. The system has an economizer that increases that fresh air up to 100% depending on the air temp and humidity outside.
  - ⇒ The performances are scheduled more than an hour apart so the theatre can achieve a full air reset from any airborne contaminants between shows. In addition, there is a complete surface disinfection/cleaning between all performances using electrostatic spray and wipe down protocols.
- **Running Time is approximately 45 minutes.**
- **No food or drink allowed** in the theatre.
- All ticket orders are considered a **final sale with no refund or cancellation.**

**\*\*\*If after purchasing tickets to view the show in person, you feel uncomfortable attending or if anyone feels ill, please contact the box office at 816-474-6552 to receive a link to view the performance at home\*\*\***
