WHAT MAKES AN ACTOR?

CONFIDENCE. Turning stage fright into courage is one of the most critical skills students learn in acting class, whether preparing for the stage or real life.

**The Coterie's Acting Classes Teach Confidence
...and so much more!**

WINTER

WINTER WONDERLAND

Grades K-1

Brrrrr! It's time for frozen adventures through a snowy winter wonderland. Ski down the tallest mountains, build an ice castle, slide with penguins, or maybe even meet Bumble the Abominable Snowman. There are many scenes to act out when you become your favorite snowy characters. Frozen lands provide great opportunities for fun character exploration!

ROTTEN TO THE CORE

Grades 2-4

Are you cruel like Cruella or sweet like Snow White? Are you ruthless like Captain Hook or brave like Aladdin? Grab your magic wands and spell books and come find out while we explore the Isle of the Lost and Auradon. Become your favorite characters from *The Descendants* or make up your own character to join our fairytale land. "Be Our Guest" as you create your own fairy tale inspired character and discover if you are "Rotten to the Core"?

WHAT IF?

Grades 4-6

What if Black Panther was bitten by a vampire? What if Scooby Doo had superpowers? Or what if Batman was scared of the dark? Join us as we create scenes, stories, and characters to explore all kinds of "what if" scenarios, while inventing fun and interesting consequences. How does the world differ by a small change... or a big one?

THEATRE ARTIST'S TOOLKIT

Grades 5-7 ; Grades 8-12

Become a more well-rounded actor! Try something new or gain more experience doing something you love. Each week we'll try out a new workshop on a different topic: stage combat, improv, stage makeup, accents, physical comedy, and cold readings. This class offers an opportunity for consideration in The Coterie's Acting Master class.

SPRING

PETE THE CAT'S ROCKING ADVENTURES

Grades K-1

Are you groovy like Pete? Or maybe grouchy like Grumpy Toad? Or cheerful like Callie? If you love Pete the Cat stories, you will love getting to create your own character as we read and act out the groovy situations from some of your favorite books. Join Pete the Cat and all his rocking friends in this class for brand new animal adventures!

SEA MONSTER MARATHON

Grades 2-4

Float on over and join us for the big sea monster race! Will you run? Or swim? Or bike? Or... wait, is this right? Or eat pasta?! Join us in creating our very own sea monsters like Luca and experience an adventure under the sea. Dive in! Splash around! But make sure you stay away from the water when a human is nearby.

JUNGLE JOURNEY

Grades 4-6

Through the trees, over the winding river, and past the dark caves is a jungle waiting for you explore! Create your own characters and work together to write scenes about exploration. Pick up your binoculars, grab your map, and watch out for booby traps, as we tell stories and scenes of our trek through this strange wilderness.

AUDITION LAB

Grades 5-7 ; Grades 8-12

Audition Lab is a great way to prepare for upcoming auditions! With the help of a professional teaching artist, students will choose audition monologues that match their age, personality, and individual audition needs. Students will prepare a monologue, develop successful strategies for cold readings, and learn how to create a professional resume. The final class includes a special audition with Jeff Church, Coterie Producing Artistic Director, or a member of The Coterie staff, for youth roles in the upcoming Coterie season.

This class offers an opportunity for consideration in The Coterie's Acting Master class.

EARLY CHILDHOOD

The Coterie offers early childhood classes for students ages 3 through 5 years old (not yet in kindergarten). These unique arts experiences open up the world of imagination to our youngest actors.

ANIMAL ADVENTURES*

Ages 3-5 (Pre-K)

Winter

It's time to stop being a person and start acting like an animal! Every week we will go on new adventures as animal friends, telling stories and acting them out. Are you a tiger lost in the jungle? A kitty in outer space? Or an elephant that escaped from the zoo? The possibilities end where your imagination does!

**Students registered in this class must be potty trained.*

HERO PETS*

Ages 3-5 (Pre-K)

Spring

Woof! Meow! Quack! Calling all brave animals! Use your imagination to be a dog, cat, or other animals you love, to help us on our missions and save the day. Just like Chase, Skye, and all their friends from *Paw Patrol*, we know that "no job's too big," and, "no pup's too small!"

**Students registered in this class must be potty trained.*
